## HEALTH

### Nappy Changing

#### *Statement of Intent*

**No child is excluded from participating in our setting who may, for any reason, not yet be toilet trained and who may still be wearing nappies or equivalent. We work with parents towards toilet training, unless there are medical or other developmental reasons why this may not be appropriate at the time.**

**We provide nappy changing facilities and exercise good hygiene practices in order to accommodate children who are not yet toilet trained.**

**We see toilet training as a self-care skill that children have the opportunity to learn with the full support and non-judgemental concern of adults.**

#### **Procedures**

- **Children are changed within sight of other staff whilst maintaining their dignity and privacy at all times.**
- **Our changing area is warm, with a safe area to lay children.**
- **Each child has their own bag box with their nappies or pull ups and changing wipes.**
- **Our staff put on gloves before changing starts and the areas are prepared.**
- **All our staff are familiar with our hygiene procedures and carry these out when changing nappies.**
- **We are gentle when changing; we avoid pulling faces and making negative comments about 'nappy contents'.**
- **We do not make inappropriate comments about children's genitals when changing their nappies.**
- **In addition, we ensure that nappy changing is relaxed and a time to promote independence in young children.**
- **We encourage children to take an interest in using the toilet; they may just want to sit on it and talk to a friend/ practitioner.**
- **We encourage children to wash their hands, and have soap and paper towels to hand.**
- **Able children access the toilet when they have the need to and are encouraged to be independent.**
- **We do not dispose of nappies, we send all items home for disposal.**
- **We have a 'duty of care' towards children's personal needs. If children are left in wet or soiled nappies/pull ups in the setting this may constitute neglect and will be a disciplinary matter.**

**This policy was updated and adopted by the Trustees of Pembury School House Nursery.**
